OYSTER TASTING

BLUFF
- Southland -

Bluff Oysters are the king of New Zealand oysters. They are grown slowly in the cold clean waters of Foveaux Strait. They are firm, meaty and succulent with a briny sweet taste rich in zinc.

CLEVEDON COAST

- East Auckland -
These are a Pacific rock oyster with a generous creamy meat quality and low salinity.

TE KOUMA
- Coromandel -
Chef's favorite! Te Kouma is a rock oyster with a beautiful sweetness and slight briny finish.
